COOPERATION CONDITIONS

1. AGREEMENT

- contract of mandate (for each sold product or monthly term)
If you dont have own registered company
- BtoB cooperation agreement if you have own registered company

2. PAYMENT TERMS

- on contract of mandate (for each sold product or monthly with summary of all commissions)
- on BtoB: invoice made by salesman on GPS Global Solutions (after each sold product or monthly with summary of all commissions).

3. PAYMENT CONDITIONS

- commissions will be released after the customer's payment will be reached on GPS Global Solutions bank account
- commissions will be paid only by bank transfer on account provided by salesman on contract of mandate or on Invoice (BtoB)

4. GPS GLOBAL SOLUTIONS PROVIDE:

- full technical support for customers before and after purchase
- full service warranty and after warranty
- delivery orders to customers

Advantages of cooperation with GPS Global Solutions

- working from home with your computer and phone
- no need going to customers
- no need taking care of company costs, shipments, technical support or service
- no need to create own company with whole structure or cooperate with manufactures
- just find potential customers by online
- contact with them and convince to buy cheaper through our online shop <https://gpsglobalsolutions.com> than direct from local dealers
- get commissions from sells to your customers
- no need focus only one brand
- all products on GPS Global Solutions are available for you to sell
- worldwide range and free worldwide shipments increase your range of potential customers
- no targets, no time limits, no forecasts or „numbers“
- you decide how long, how many and which way you will work

GPS Global Solutions provide:

- full technical support for customers before and after purchase
 - full service warranty and after warranty
 - delivery orders to customers
